

## **AGENDA**

### **Amston Lake Association – April 14, 2020 Minutes**

We did not have sufficient attendance to vote on any matters.

A few new members were on the Call and used that as an opportunity to highlight what we do as an organization.

An overview of the proposed membership drive was discussed.

John shared that we have a first draft of our updated constitution and bylaws. The document is with the officers for comment and then will be shared with the full board of directors.

We are moving forward with a more robust summer schedule. Charlene provided dates for Chocolate Bingo on the Beach. It was announced that we have scheduled food trucks for June 19 (Greek n' Out) and July 10 (Cousin's BBQ and Tapville). Events have been added to the events calendar on the website.

Preliminary merchandise designs will be prepared and shared at next meeting.

Discussed the reimplementation of the clubhouse usage fee to \$250 effective May 1.

Next meeting April 13, 2021
