

May 2021

ALA Neighbor

Hello Neighbor,

It would be an understatement to say that 2020 was a challenging year! Yet, despite, and being mindful of and following COVID-19 restrictions, the ALA remained strong and was able to offer several activities. On a modified basis our residents enjoyed Movie Nights, Chocolate Bingo and Yoga on the Beach, Fishing Derbies, July 4th Vehicle Parade, Book Club and other interest groups, and a Virtual Secret Santa. We also brought a Food Truck to Main Beach which was a big success!

Your Board and its Committees have been busy planning for 2021. The Clubhouse had also been the beneficiary of some much-needed enhancements. Our goal, with your participation, is to get back to as normal a summer season as possible.

Our new easy to navigate website www.amstonlakeassociation.com serves as the main communication source for the ALA. Please visit it to find:

- Monthly Meeting Registration, Agendas, and Minutes
- Membership Sign Up and Dues Payment
- ALA Merchandise
- Calendar of Events and Event Registration
- Clubhouse Usage Reservations
- Photos
- Link to ALA's Facebook page

So, whether you're a new or established resident, year-round or seasonal, renter or homeowner, or any combination of the above, please consider joining the ALA this year. Your **\$30 per household annual dues** allows us to maintain and improve the Clubhouse (both inside and out) and subsidize many of our activities. Members also enjoy discounts on merchandise and Clubhouse usage, and priority registration for participant-limited events.

Registering and paying your ALA dues from your desktop, laptop or mobile device is safe and easy! Household members can establish their own profile by creating their own log in at www.amstonlakeassociation.com and click "Log In." Dues for the household are paid by one household member clicking "Pay Dues."

(over)

If you would rather join by mail provide the information requested below:

First & Last Name	
Lake Address	
Email	
Phone	

Return this page along with your \$30 check made payable to ALA, to:

Amston Lake Association
P.O. Box 1054
Amston, CT 06231

I hope you can all agree with me that Summer cannot come soon enough this year!

All my best,

John Matra
ALA President

Founded in 1942, the Amston Lake Association (ALA) is a vibrant volunteer 501(c)(7) organization which offers a variety of events for the Amston Lake community. The ALA is a social club and is separate from the Amston Lake District (ALD) which is the taxing body, responsible for lake health, beaches, ROWs and boat and beach pass administration. Questions or concerns regarding these matters should be directed to the ALD www.amstonlake.org
